PREFACE.

OWING to the liberal patronage of a generous publick, and the particular encouragement of his friends, the subscriber has again been enabled to issue the Philadelphia Directory to his fellow citizens. The fluctuation of trade, has made the task more difficult than ever, which, together with the difficulty of procuring suitable paper, he hopes will be a sufficient apology for the delay. He feels grateful for the support his former publications of this kind received, and assures the publick, that much expense has been incurred, and no pains spared to make this correct. He has, however, to apologize for the omission of several articles, which will be attended to in future publications.

JAMES ROBINSON.
